CATEGORY 01

TABLES

Dining, meeting and occasional tables where natural timber, resin depth and a carefully chosen base come together in one composition.

Azure River Dining Table

A large-format live-edge table with vivid blue resin, expressive grain and an open geometric steel base.

Deep Blue Round Table

Burl timber and translucent blue-violet resin give this compact round table its depth and distinctive edge detail.

Live-Edge White Resin Table

Organic timber edges meet a clean white resin river in a bright composition for dining or meeting spaces.

Forest Inlay Side Table

A compact round table with natural timber, dark green resin and preserved moss arranged in an organic concentric design.

Black Resin Coffee Table

Warm timber grain, deep black resin and a striking white cellular pattern in a compact round table.

Ocean-Inspired River Table

Vivid blue resin, natural timber forms and embedded decorative details create an ocean-inspired composition.

Botanical Resin Side Table

A delicate round table combining botanical inclusions, translucent resin and a warm timber accent.

**A clear idea.
A piece made around it.**

RED VEIN COFFEE TABLE

BLUE LAGOON SIDE TABLE

CATEGORY 02

CLOCKS

Functional wall clocks with the presence of a decorative piece: texture, depth, natural inclusions and considered contrast.

Amber & Black Resin Wall Clock

Amber-toned timber, dark resin, metallic hour markers and fine mechanical motifs create a graphic wall clock.

Botanical Resin Wall Clock

Natural seasonal elements held in transparent resin form a clean circular wall clock.

Maltese Islands Resin Wall Clock

Natural timber silhouettes of Malta, Gozo and Comino set against saturated blue resin.

YOUR NEXT PROJECT

One statement piece. Or a coordinated collection.

We can discuss dining and meeting tables, coffee tables, counters, tops and wall pieces shaped around your space. Materials, construction, finish and delivery are agreed for each commission.
